

Experience@Singapore: Electronics
12 to 16 July 2010

Come see your future in Singapore

Contact Singapore invites you to an exclusive immersion programme,
Experience@Singapore: Electronics, which will be happening
from **12 to 16 July 2010**.

This is an exclusive opportunity for you to network with industry leaders and potential employers; as well as see exciting developments in Singapore's electronics industry. There is no better way to experience Singapore than through this programme.

The programme is run by Contact Singapore for recent graduates or top students either in Bachelors, Masters or PhD studies in the following fields (or fields closely relating to):

- Electrical and electronics engineering
- Microelectronics
- Integrated circuit design

Registration is now open. Click [here](#) or log on to www.contactsingapore.sg/ExperienceSg/Electronics/July2010 for more information on the programme and to register.

If you need more information on the programme, do contact us at:
